INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Jefferson Worldwide Group Ltd.

We have audited the accompanying statement of financial condition of Jefferson Worldwide Group Ltd. (the Company) as of December 31, 2006. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit of the statement of financial condition provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Jefferson Worldwide Group Ltd. as of December 31, 2006, in conformity with accounting principles generally accepted in the United States of America.

In connection with our audit, nothing came to our attention that caused us to believe the Company had failed to comply with the conditions of the Securities and Exchange Commission's Rule 15c3-3k(2)(i) exemption and that no facts came to our attention to indicate that the exemption referred to above had not been complied with since our last audit of the financial statements as of December 31, 2005 and for the year then ended. However, it should be noted that our audit was not directed primarily toward obtaining knowledge of noncompliance with such requirements.
